*The Richmond Fellowship (India) Lucknow
Branch was established in March 2005
with a Clear Vision and Humble Mission*

OUR VISION

- To help persons suffering from mental illness and emotional disturbances for their rehabilitation and integration into the family and society.
- To develop a **Model Mental Health Care cum Training Center**.

OUR MISSION

- Create general awareness about Mental Health.
- Eradicate prevailing misunderstandings, prejudices and stigma attached to mental illness.
- Spread the message that ***Mental Illness is treatable like any other illness.***
- Provide appropriate behavioural, social and vocational training to the mentally ill persons for their rehabilitation.

OUR MAJOR ACHIEVEMENTS :

- Several of our clients have been successfully rehabilitated.
- Have motivated the parents to form a support group "**Manorogi Kalyan Sansthan**" as a registered society.

- Creating Awareness to mitigate the sufferings of the patients and their families.
- Building hope and confidence in the patients and their families to help them lead the life with dignity.
- Construction of a building for well equipped Mental Health Care cum Training Center with Day Care and Half Way Home facilities.
